

Hafizur Rahman

ASPIRING FULL-STACK DEVELOPER

PROFESSIONAL SUMMARY

Enthusiastic and dedicated computer science student at Southeast University with a solid foundation in programming and web development. Skilled in JavaScript, React, HTML, CSS, Node.js, Express.js, MySQL, Python, and Java, with hands-on experience building responsive web apps and full-stack personal projects. Actively improving full-stack development skills through structured online learning and continuous GitHub practice. Passionate about problem solving, collaboration, and building real-world applications. Eager to contribute to a software development team as a Frontend/React Intern or Junior Full-Stack Intern.
